Mental Health First Aid	Next training dates are: 2/16 & 2/23 (Thursdays), from 5-9:30 PM. Attendance for both is mandatory. Registration deadline is 2/10.
2-1-1	Lauren reported that this works. Service originates in Bath, NY. They are willing to add any info we request.
Nar-Can Training	One may be offered in February.
List of Services	pending
Resources to get the Angel program off and running	Considerable discussion on this topic. • RE Addicts: May have many false starts before deciding to be serious about wanting treatment. If taken to the ER, may not want to stay. FLACRA Care Mgt. should be contacted, but permission (privileges) is needed to have mental health staff in the ER. • FLACRA Outpatient Clinic is staffed 7:30 AM – 8PM M-F and 8 AM – 5 PM weekends. 24 hour service at the Crisis Center in Clifton Springs all days. Can see callers within 24 hours of being contacted. *Does law enforcement (Scott Backer, YC Sheriff's office, Arlyn Cunningham & PYPD), hospital staff know this?* Voluntary training for ER staff: FLACRA was to provide but cancelled due to lack of registrants. *Lauren offered to follow-up with Jennifer to determine if training will be rescheduled.* • Soldiers & Sailors Hosp.: Vacant beds… *Is this a "moment in time" when approaching the Medical Director and Board could result in S & S being designated as a detox center? (an investment in the community) Grants are available. Would need a coordinated approach of the public, YSAC, this subcommittee, Ontario Coalition (Lauren & Doug to contact) and Marty of FLACRA (George to contact). A project for January.* • Too few treatment beds statewide. Requires daily calls to facilities to find space. Angels can encourage clients to do this for themselves and offer transport when space is found. • Angel program: Wanted by Sheriff Spike, but very easy to access. Do we have enough resources to make it happen? Would getting the community survey out (from Alexis) be the next step? (An activity of the entire coalition?) Will the churches, a not-for-profit or Pro-Action "own" it?

New Business:

Risk & Protection Survey	This is an instrument used in schools. George noted that it is complete. Doug questioned whether the survey identifies traits in youth that predispose them to addictions. Response: With early identification of youth at risk, prevention education and offering support to adults who work with youth (Youth Mental Health First Aid) youth can respond resiliently.
Meeting place & date	We can continue to meet in the Fellowship Hall of PYUMC on the second Wednesday of the month, 5:30 PM.
New Detox Center	In Thompkins County! Sue will do some fact checking.

Next meeting of this committee will be 1/11 @ 5:30 PM @ PYUMC Fellowship Hall, a week before the coalition meeting. Adjourned @ 6:30. Submitted by Patty Larzelere. Contact info for members and those attending on 9/28
